

**BOOK. BLAST.
BACK TO WORK!**

We offer a streamlined, 45 minute minimum Dry Ice Blasting service for businesses that need professional-grade cleaning but may not have the demand or budget for a full-day crew.

Perfect for all operations that still want top-tier results without the commitment or cost of a full team on site all day. Book a flat rate, or multiple hours depending on your needs. It's highly flexible and cost-effective.

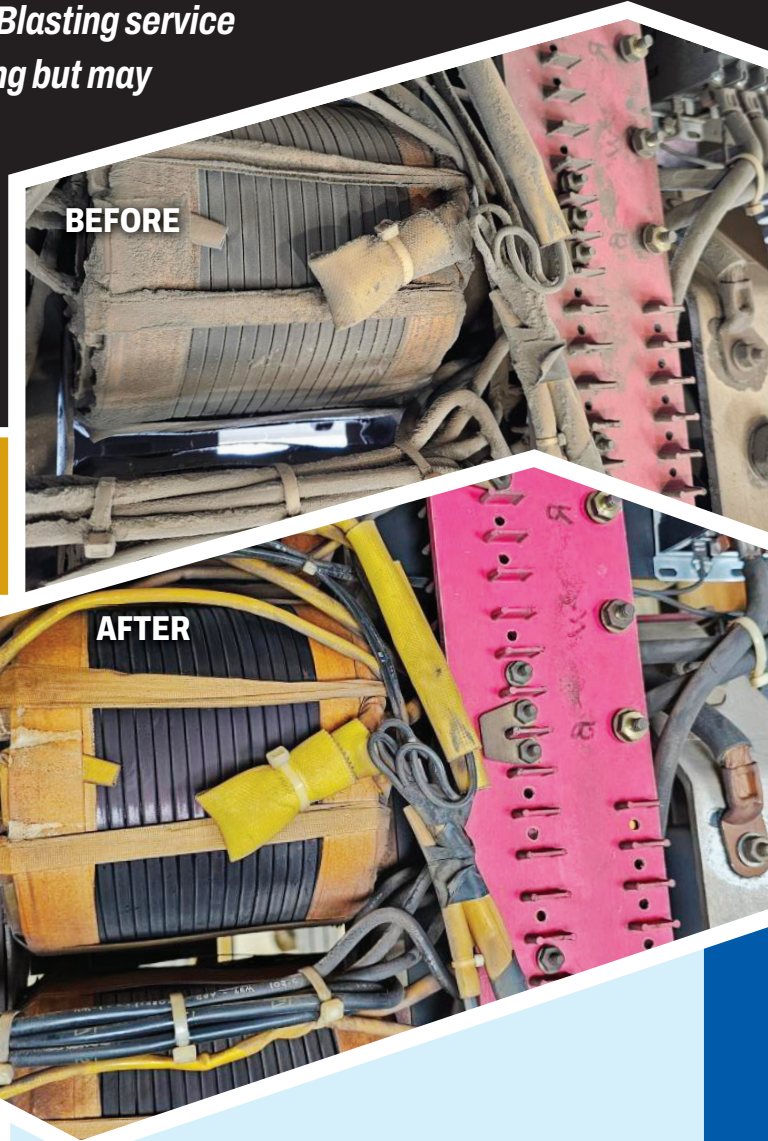

Who can benefit from XpressBlast Dry Ice Blasting?

OUR TARGET MARKET INCLUDES:

- ✓ Welding and Fabrication Shops
- ✓ Mechanic Shops
- ✓ Farms
- ✓ Small and Large Manufacturers
- ✓ Custom Auto Garages

BLAST AWAY grease, soot, inks, adhesives, melted plastics, and other industrial grime!

Perfect for any business that values clean, efficient equipment and workspaces but doesn't require an extensive, full-day cleaning. Our Dry Ice Blasting restores surfaces quickly and effectively, without damaging equipment or using harmful chemicals.

With its eco-friendly approach, non-abrasive nature, and versatile cleaning intensity, **DRY ICE BLASTING HAS BECOME THE GOLD STANDARD FOR INDUSTRIAL CLEANING**, delivering exceptional results across diverse manufacturing sectors.
